More Time to Create

With an automatic needle threader and drop-in bobbin you can spend more time creating, not setting up

Never Run Out of Thread

Automatic upper and lower thread sensors mean you won't run out of thread mid-stitch

Easy to Navigate

Easily manage everything on the full colour, large 12cm touchscreen

Sit Back and Sew

The Innov-is NV880E automatically detects fabric being embroidered and adjusts the tension accordingly

You're in Control

Quickly access everything that's important via the central control panel. Perfect for when you need to make quick adjustments on complex projects

Stay Connected

With Wireless LAN connectivity and a USB port, your machine will continue to grow with Brother's Design Database Transfer

Keep Learning

Built-in tutorials and help function mean you'll always have a personal sewing tutor at your side.

The perfect Embroidery Machine to embellish your clothing

Large Working Area & Embroidery Space

A large working area and generous embroidery space give you plenty of room to get creative. Featuring brand new embroidery designs, pattern editing and colour sorting, your projects will be sew unique - just like you!

Precise LED Pointer for Perfect Needle Positioning

Let the LED Needle pointer point the way to better embroidery. Drop your needle exactly where it needs to be, ensuring you always place your pattern in the right place

Navigation Made Easy with Large Full Colour Display

Easily manage and edit your designs on the large, full colour 12cm touchscreen display, which includes intuitive controls right at your fingertips.

Brand New Embroidery Designs

Built-in Embroidery Fonts

Sit Back and Sew

Stay neat and productive and let the auto thread trimmer function trim any excess threads for you. Bye, bye snips!

Auto Foot Down

Programme your machine to automatically put the foot down and start embroidering when you press the start/stop button

Perfect Positioning

Let the LED needle pointer point the way to better embroidery. Drop your needle exactly where it needs to be, so you always place your pattern in the right place

A Life of Colour

Preview embroidery designs in full colour. Colour sort the order in which multi-coloured embroidery designs are stitched - reducing colour changes and minimising embroidery time

Advanced Editing Functions

Quickly adjust, mirror, re-size and edit text. Save everything to the machine's memory so that you can use it again

New Quilting Designs

Beautiful new embroidery designs with an embroidery area of 260 x 160mm to stitch out large, intricate designs and finish off your quilts in style.

CONNECTIVITY

Quick and Easy Data Transfer

Send designs wirelessly from your PC to your machine when connected to a wireless network, using Brother's FREE Design Database Transfer* programme.
Design Database Transfer* makes embroidery data management easy by displaying vast amounts of data with the thumbnail viewer so that you can organise your embroidery designs with ease.

With wireless LAN connectivity you can transfer data wirelessly to your embroidery machine as well as keep up with Brother's software developments, without needing a USB.

*Compatible with Windows 8.1, 10(32/64 bit) and 11 only
** Design Database Transfer available from support.brother.com
